This project, introducing jazz and its history to the pupils in the local schools, colleges and lycées has finished for the year 2010/2011. It has been a huge success. The Association Jazz Kreiz Breizh is very grateful to the **DRAC at Rennes** for their support and aid as well as to the **Credit Agricole at Châteauneuf-du-Faou** who have also given us a lot of encouragement and financial help. The Communauté des Communes has promised us aid to expand the project next
